*My company is based in Sweden. I bought a ticket to a professional event (conference) in Poland, and I paid the local 23% VAT. How can I claim back this VAT amount?*

Since your company is based in Sweden and you purchased a business conference ticket in Poland that includes 23% Polish VAT, you can claim a VAT refund under the EU VAT Refund Directive (Directive 2008/9/EC).

### Steps to Claim a Polish VAT Refund (for a Swedish company)

Your company can apply for a VAT refund if:

  - It does not have a Polish VAT registration or conduct taxable activities in Poland.
  - The purchase is for business purposes (e.g., attending a conference).
- 

#### Submit Your VAT Refund Request via the Swedish Tax Portal

Since Sweden and Poland are both EU countries, the refund application must be submitted electronically through the Swedish tax authority (Skatteverket).

#### Application Process

  - [Skatteverket e-Services](#)
2. Navigate to "VAT Refund for EU Purchases" (Momsåterbetalning från EU-länder).
3. Fill out the VAT refund application:
  - Select Poland as the country where VAT was paid.
  - Enter invoice details (supplier, invoice number, amount, VAT paid, type of expense).
4. Attach supporting documents:
  - A scanned copy of the invoice issued to your Swedish company with its VAT number.
5. Submit the application electronically.

#### Deadline:

- Submit the application by September 30th of the following year.

- **Example: For a conference ticket purchased in 2024, apply by September 30, 2025.**
